CUTTING ANGLE UP TO 45 DEGREES

Alternating Angle Models Available

Heavy Duty
MODEL HC-D1000A COLD KNIFE

Cutting Length 0 to 9999.99"
Cutting Width 0 to 3 1/4"
Feeding Speed 30" per second

Heavy Duty
MODEL HDNC-D1000A HOT KNIFE

Cutting Length 0 to 9999.99"
Cutting Width 0 to 3 1/4"
Feeding Speed 30" per second

AUTHORIZED REPRESENTATIVE

DIGITAL STRAIGHT CUTTING

Heavy Duty
MODEL HC-D1000 COLD KNIFE

Cutting Length 0 to 9999.99"
Cutting Width 0 to 3 1/4"
Feeding Speed 30" per second

Large units are available

C230-D 1000 9" cutting width

C300-D 1000 12" cutting width

Heavy Duty
MODEL HDNC-D1000 HOT KNIFE

Cutting Length 0 to 9999.99"
Cutting Width 0 to 3 1/4"
Feeding Speed 30" per second

Large units are available

HDNC230-D 1000 9" cutting width

HDNC300-D 1000 13" cutting width

OPTIONS:

Electronically controlled motorized puller to compensate for stretch and heavy work loads.

SYNCROMOTION UNIT

Synchronizes sewing operation with strip cutting, can be added to your present model.

MULTIPLE RIBBON GUIDE

Simple device permits cutting 3 of the same or different widths at the same time.
